## 2013 EarthCraft Communities Project of the Year

---

### Harmony Greene

*In recognition  
for Harmony Greene, a Woda Group, Inc. and Parallel Housing, Inc. project.*

*EarthCraft is a regional green building certification program,  
recognizing environmentally responsible design and construction practices  
for projects across the Southeast.*

***Congratulations on your achievement!***

The EarthCraft program was developed by Southface Energy Institute  
in coordination with the Greater Atlanta Home Builder's Association.
